## Government of Karnataka

No.RDP 700 GPA 2020

Karnataka Government Secretariat,  
Vidhana Soudha,  
Bengaluru, dated:23-07-2021.

## NOTIFICATION

The draft of the Karnataka Gram Swaraj and Panchayat Raj (Gram Panchayat) (Telecommunication Infrastructure Tower and Overground Cable or Underground Cable Infrastructure) Bye-laws, 2021 which the Government of Karnataka proposes to make in exercise of the powers conferred by the Indian Telegraph Right of Way Rules, 2016 read with section 316 and sub-section (1) of section 64 and section 199 of the Karnataka Gram Swaraj and Panchayat Raj Act, 1993 (Karnataka 14 of 1993) is hereby published as required by sub-section (1) of section 316 of the said Act, for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration after thirty days from the date of its publication in the official Gazette.

Any objection or suggestion which may be received by the State Government from any person with regard to this said draft rules before the expiry of the period specified above will be considered by the State Government. Objections and suggestions may be addressed to the

(೧೪೩೨)

Principal Secretary to Government, Rural Development and Panchayat Raj Department, 3<sup>rd</sup> Floor, 3<sup>rd</sup> Gate, M.S Building, Dr. B.R. Ambedkar Veedhi, Bengaluru-560001.

## **DRAFT BYE-LAWS**

### **CHAPTER- I**

### **PRELIMINARY**

**1. Title, Commencement and Application.-** (1) These Bye-laws may be called the Karnataka Gram Swaraj and Panchayat Raj (Gram Panchayat) (Telecommunication Infrastructure Tower and Overground Cable or Underground Optical Fibre Cable Infrastructure) Bye-Laws, 2021.

(2) They shall come into force from the date of their final publication in the official Gazette.

(3) The provisions of these Bye-Laws shall apply to all Grama Panchayats in the State.

**2. Definitions.-** For the purposes of these Bye-laws, unless the context otherwise requires,-

(a) “Act” means Indian Telegraph Act, 1885 (Central Act 13 of 1885);

(b) “Applicant” shall mean an agency who is a provider of Telecom or cable infrastructure registered with the Department of Telecommunication to install new Telecommunication infrastructure towers (TIT) or to lay cable wires either below the surface of the earth or above the surface of the earth for any communication purposes recognized under the appropriate law;

(c) “Appropriate Authority” means the authority as defined under clause (b) of rule 2 of the Indian Telegraph Right of Way Rules, 2016;

(d) “Cable” shall mean an assembly of one or more insulated conductors or optical fibres or a combination of both within an enveloping jacket which may be above the surface of the Earth or below the surface of the Earth and is a high speed physical medium for transmitting data or information and shall not include those cables utilized for broadcasting or provision of programming services under

the Cable Television Networks Regulations Act, 1995(Central Act 7 of 1995);

(e) “Cable duct” shall mean a pipe or tubular hollow structure designed to accommodate the running of one or more cables within it;

(f) Nodal Officer” the Panchayat Development Officer of the concerned Gram Panchayat;

(g) “Overground Cable Infrastructure” means a cable over the ground and includes posts or other above ground contrivances appliances and apparatus for the purpose of establishment or maintenance of the cable;

(h) “Permission” shall mean the permission granted by the Gram Panchayat to an applicant for the purpose of installing Telecommunication Infrastructure Tower or laying down Optical Fiber Cables above the surface of the earth or below the surface of the earth in accordance with these Bye-Laws;

(i) “Permission holder” shall mean any person holding a permission/license issued under these Bye-Laws;

(j) “rural areas” means areas out-side the jurisdiction of urban local bodies.

(k) “Schedule” means the schedule appended to these Bye-Laws;

(l) “Telecommunication Infrastructure Tower (TIT)” shall include Ground Based Tower (GBT), Roof Top Tower (RTT), Roof Top Poles (RTP), Cell Phone Tower (CPT), Antenna Fixtures, Fabricated Antenna, Tower to install the Telephone lines, Transmission Towers, Cell On Wheels, In-Building Solutions and Micro Sites. But it shall not include the Antennas installed for domestic purpose, namely Television Antennas or Dish Antennas; and

(m) “Underground Cable Infrastructure” includes manholes, marker stones, appliances and apparatus for the purposes of establishment or maintenance of the cables.

## CHAPTER- II SURVEY

**3. Survey of the existing cables below the surface of the earth and above the surface of the earth.-** (1) In rural areas where prior to the notification of these Bye-laws there existed no procedure

for laying of optical fiber cables or the existing procedure was insufficient, the nodal officer shall undertake a survey within thirty days from the date of notification of these Bye-laws.

(2) The nodal officer shall identify areas where cables or cable ducts have been laid below and above the surface of the earth and the agencies responsible for laying such cables or cable ducts and such a survey shall ordinarily be completed within sixty days from the date of commencement of survey.

(3) Upon undertaking the survey of cables and cable ducts laid below and above the surface of the earth, the nodal officer shall identify such empty cable ducts within which new cables may be accommodated and record such details for the purposes of scrutinizing any application received under these Bye-laws.

(4) Based on the survey undertaken, the appropriate Authority shall direct such agencies who have laid down cables or cable ducts prior to the notification of Bye-laws to register themselves, afresh, with the nodal officer in accordance with the procedure laid down under these Bye-laws.

#### **4. Survey of existing telecommunication infrastructure towers.-**

(1) In rural areas where prior to the notification of these Bye-laws there existed no procedure for installation of telecommunication infrastructure tower, the nodal officer shall undertake a survey within thirty days from the date of notification of these Bye-laws.

(2) The survey undertaken shall ordinarily be completed within sixty days from the date of commencement of survey and all the telecommunication infrastructure towers who have previously registered with the Gram Panchayth or have remained unregistered shall register themselves with the nodal officer in accordance with the procedure laid down under these Bye-laws.

(3) Based on the survey undertaken, the nodal officer shall direct such agencies who have installed telecommunication infrastructure towers prior to the notification of these Bye-laws to register themselves, afresh, with the nodal officer in accordance with the procedure laid down under these Bye-laws.

(4) The details of the survey undertaken by the local bodies for the installation of telecommunication infrastructure tower and cables shall be recorded by the local body in such manner as may be appropriate and the particulars of the survey shall be communicated to the Government.

**5. Permission for erection of Tower or Telecommunication Pole Structures or laying of Cables or Cable Ducts.-** No person shall erect or re-erect any non-Governmental Telecommunication Infrastructure Tower or Telecommunication Pole Structures or Accessory Rooms or lay Underground Cables or Overground Cables or make alteration or cause the same to be done without obtaining a separate permission for each such erection of Tower or Telecommunication Pole Structures or laying of Cables or Cable Ducts from the Appropriate Authority:

Provided that, no person shall erect a Telecommunication Tower or lay down Cable or Cable ducts in the absence of permission granted by the Appropriate Authority. The Nodal Officer shall initiate action, after giving notice for removal of Telecommunication Tower or Cables as per law.

**6. Establishment of Electronic Platform.-** (1) The State Government shall establish an Electronic Platform within six months from the date of commencement of these bye-laws for the purposes of considering the application submitted to the nodal officer who shall convey the acceptance or rejection of the application through the Electronic Platform.

(2) The platform may also be used for co-ordination among various Agencies for the approval and execution.

(3) The State Government may from time to time prescribe such standards and procedures for the working of the online platform.

(4) The Appropriate Authority shall maintain a database of the applications received, permissions granted and the routes on which permissions have been granted.

### CHAPTER -III ESTABLISHMENT OF OVERGROUND TELECOMMUNICATION INFRASTRUCTURE TOWER OR OVERGROUND CABLE INFRASTRUCTURE

**7. Submission of Application.-** (1) An applicant shall, for the purposes of establishing Overground Telecommunication Infrastructure Tower or Overground Cable Infrastructure, upon any immovable property vested in or under the control or management of Appropriate Authority, make an application, supported by such documents in accordance with Schedule-A on the single window platform as may be specified by the Appropriate Authority.

(2) The information along with supporting documents to be provided by the applicant in the application made under sub-rule (1) shall be as per **Schedule-C** and **Schedule-D**, as the case maybe:

Provided that, any applicant seeking permission to erect Telecommunication Infrastructure Tower or Overground Cable Infrastructure under these Bye-laws shall submit an affidavit to the concerned Appropriate Authority declaring compliance with these bye-laws and acknowledgement of payment of the application fees to the concerned Appropriate Authority. The concerned Appropriate Authority may permit the applicant within forty five days otherwise the application shall be deemed to be approved, to erect the Telecommunication Infrastructure Tower or Overground Cable Infrastructure provided that all the documents required are submitted within two months from the date of submission of the affidavit:

Provided further that, in case the applicant fails to submit the documents within two months the concerned Appropriate Authority shall upon serving notice remove the Tower/Cable and levy a penalty of two times the application fees.

(3) Every application under sub-clause (1) shall be accompanied with a fee of rupees Ten Thousand to meet the administrative expenses for examination of the application and the proposed work as the Appropriate Authority may, by general order, deem fit:

(4) All existing Telecommunication Infrastructure Towers or Overground Cable Infrastructure shall register within six months from the date of commencement of these bye-laws by paying fees prescribed in sub-clause (3) and by submitting structural safety/stability certificate from Panchayat Raj Engineering Department Assistant Engineer/Junior Engineer. Upon the failure of the existing

Telecommunication Infrastructure Tower or Overground Cable Infrastructure provider to pay the fees and register within the stipulated time, the concerned Gram Panchayat shall initiate action, after giving notice, for removal of the Telecommunication Infrastructure Tower or Overground Cable Infrastructure as per law.

(5) In the event an applicant seeks permission to lay cables below the surface of the earth on those roads whose ownership cuts across two or more Gram Panchayats, the applicant shall make two separate applications in accordance with these Bye-laws.

**8. Grant of permission by the Appropriate Authority.-** (1) The

Appropriate Authority shall examine the application with respect to the following parameters, namely:-

(i) The extent of land required for the Telecommunication Infrastructure Tower or Overground Cable Infrastructure;

(ii) The location proposed;

(iii) The approval issued by the duly authorized officer of the Central Government for location of the above ground contrivances proposed to be used for transmission of Radio waves or Hertzian waves;

(iv) The mode of and time duration for execution of the work;

(v) The estimation of expenses that the Appropriate Authority shall necessarily be put in consequence of the work proposed to be undertaken;

(vi) Assessment of the inconvenience that the public is likely to be put to in consequence of the establishment or maintenance of the Telecommunication Infrastructure Tower or Overground Cable Infrastructure, and the measures to mitigate such inconvenience indicated by the permission holder;

(vii) Certification of the technical design by not below the rank of Assistant Engineer or Junior Engineer of the Panchayat Raj Engineering Department attesting to the structural safety of the Telecommunication Infrastructure Tower or Overground Cable Infrastructure;

(viii) Certification by a Assistant Engineer or Junior Engineer of the Panchayat Raj Engineering Department for structural

safety of the building, on which the post or other above ground contrivances is proposed to be established; and

(ix) Any other matter, consistent with the provisions of these Bye-laws, connected with or related to the laying of Telecommunication Infrastructure Tower or Overground Cable Infrastructure, through a general or special order or guidelines issued by the Central Government or State Government or concerned Gram Panchayat from time to time.

(2) The Gram Panchayat shall within a period not exceeding sixty days from the date of application,-

(a) grant permission on such conditions including, but not limited to, the time, mode of execution, measures to mitigate public inconvenience or enhance public safety or structural safety and payment of restoration charge, subject to the provisions of the Act and these Bye-laws; or

(b) reject the application for reasons to be recorded in writing:

Provided that, no application shall be rejected unless the applicant has been given an opportunity of being heard on the reasons for such rejection:

Provided further that, the permission shall be deemed to have been granted if the concerned Gram Panchayat fails to either grant permission under item (a) or reject the application under item (b) and the same shall be communicated in writing to the applicant not later than five working days after the time specified as above.

(3) Where the concerned Gram Panchayat accept the undertaking by the permission holder to discharge the responsibility to restore the damage that such authority shall necessarily be put in consequence of the work, the concerned Gram Panchayat while granting permission shall seek a bank guarantee for an amount in lieu of expenses for restoration of such damage, as security for performance in the discharge of the responsibility.

(4) For cell on Wheels, Micro sites and in-building solutions, the fees to be paid shall be rupees Two Thousand.

(5) The concerned Gram Panchayat shall not charge any fee other than those mentioned under sub clause (2) of clause 7 from the permission holder for establishing the Telecommunication Infrastructure Tower or Overground Cable Infrastructure;

**9. Duration of permission for Overground Telecommunication Infrastructure Tower or Overground Cable Infrastructure.-**

(1) The permission issued shall be a work permit and the construction or erection of Telecommunication Tower or Telecommunication Pole structures or accessory rooms essential for the use of such tower or pole structures shall be completed within two years from the date of issue of such permission.

(2) The period of the permission shall be extended for a further period of two years, if an application for the same is submitted to the concerned Gram Panchayat within the valid period of the permit duly paying Twenty five percent of the prescribed fee and charges and in the prescribed form duly attaching the original permit.

**CHAPTER – IV  
ESTABLISHMENT OF UNDERGROUND CABLE INFRASTRUCTURE**

**10. Submission of Application.-** (1) An applicant shall, for the purposes of establishment of Cable Infrastructure or laying of cables under any immovable property vested in or under the control or management of the Gram Panchayat make an application, supported by such documents, in accordance with **Schedule-A** on the single window platform to the Appropriate Authority / Gram Panchayat.

(2) The information along with supporting documents to be provided by the applicant in the application made under sub-clause (1) shall be as given in **Schedule-C**:

Provided that, any applicant seeking permission to lay cables under these Bye-laws may submit an affidavit to the Nodal Officer declaring compliance with these Bye-laws and acknowledgement of payment of the application fees to the Gram Panchayat. The Nodal officer shall permit the applicant to lay cables provided that all the documents required are submitted within two months from the date of submission of the affidavit.

Provided further that, in case the applicant fails to submit the documents within two months, the Nodal officer shall upon serving notice remove the cable infrastructure and levy a penalty of two times the application fees or the expenses incurred for removal, whichever is higher.

(3) (i) In addition to the documents specified in **Schedule C**, the permission holder shall, while making the application, give a specific commitment on whether he undertakes to discharge the responsibility for restoration, to the extent reasonable and prudent, of the damage that the Gram Panchayat shall necessarily be put in consequence of the work proposed to be undertaken.

(ii) If the applicant commits to undertake the responsibility of restoration, he shall submit an estimate of the cost of such restoration which shall be approved by the Appropriate Authority. Else, the applicant shall deposit the amount equivalent to the cost of restoration for roads except National and State Highways, Public Works Department Roads, as specified in the Karnataka Gram Swaraj and Panchayat Raj Act, 1993 and the Gram Panchayat shall be responsible for restoration. The applicant shall make the payment of expenses or submit the bank guarantee before the grant of permission;

(4) Every application under sub-rule (1) shall be accompanied with fee of rupees One thousand per kilometre to meet administrative expenses for examination of the application and the proposed work as the Gram Panchayat may, by general order, deem fit;

(5) In the event an applicant seeks permission to lay cables below the surface of the earth on those roads whose ownership cuts across two or more local bodies, the applicant shall make two separate applications in accordance with these Bye-laws.

### **11. Grant of permission by the Appropriate Authority.-**

(1) The concerned Nodal Officer shall examine the application with respect to the following parameters, namely.-

(i) The route planned for the proposed underground cable infrastructure and the possible interference, either in the establishment or maintenance of such cable infrastructure with any other public infrastructure that may have been laid along the proposed route;

(ii) The mode of execution;

(iii) The time duration for execution of the work and the time of the day that the work is proposed to be executed;

(iv) The estimation of expenses that the Appropriate Authority shall necessarily be put in consequence of the work proposed to be undertaken;

(v) The responsibility for restoration of any damage by the Appropriate Authority / Grama Panchat may necessarily be put in consequence of the work proposed to be undertaken;

(vi) Assessment of measures to ensure public safety and inconvenience that the public is likely to be put to in consequence of the work proposed and the measures to mitigate such inconvenience indicated by the permission holder; and

(vii) Any other matter, consistent with the provisions of the Act and these Bye-laws, connected with or relative to the establishment or maintenance of Underground Cable Infrastructure, through a general or special order, by the Central Government, State Government or the Gram Panchayat.

(2) The appropriate authority shall grant the permission in the Form as specified in Schedule-B

(3) The Gram Panchayat shall, within a period not exceeding sixty days from the date of application made.-

(i) Grant of permission on such conditions including but not limited to, the time, mode of execution, measures to mitigate public inconvenience or enhance public safety and payment of restoration charge as may be specified, subject to the provisions of the Act and Rules made there under and these Bye-laws; or

(ii) Reject the application for reasons to be recorded in writing:

Provided that, no application shall be rejected unless the applicant has been given an opportunity of being heard on the reasons for such rejection.

Provided further that, the permission shall be deemed to have been granted if the Appropriate Authority fails to either grant of permission under item (i) or reject the application under item (ii); and the same shall be communicated in writing to the applicant not later than five working days after the period specified above.

(4) Where the Appropriate Authority accepts the undertaking by the applicant to discharge the responsibility to restore the damage that such authority shall necessarily be put in consequence of the work, the Gram Panchayat while granting permission under item (i) of sub-clause (3) shall seek a bank guarantee for an amount in lieu of

expenses for restoration of such damage, as security for performance in the discharge of the responsibility.

(5) Upon the grant of permission, the Nodal officer shall within fifteen days from the date of grant of such permission publish the order granting permission, the route where the cables has been permitted to be laid and any other information on the website of the respective Gram Panchayat.

(6) The Appropriate Authority shall not charge any fee other than prescribed above from the permission holder for establishment of underground cable infrastructure.

**12. Duration of permission for Underground Cable Infrastructure.-** (1) It shall be contingent on the extent of land or road sought to be dug but shall not exceed six months from the date of grant of permission.

(2) If the applicant is unable to lay down cables within the duration determined by the concerned Appropriate Authority under sub-clause (1), he shall be required to make an application for renewal on the single window platform and shall specify the reasons for non-completion of works under the previous permission.

(3) No permission for renewal shall be granted by the concerned Gram Panchayat for a period exceeding three months and an application for renewal shall be accompanied by the fee.

## **CHAPTER – V MISCELLANEOUS**

**13. Obligations of permission holder.-** (1) The permission holder shall ensure that,-

(i) Prior to the commencement of Telecommunication Infrastructure Tower or Overground Cable Infrastructure or work of laying Underground Cable Infrastructure and at all times, the measures to mitigate public inconvenience and ensure public safety, including structural safety of such Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure are implemented; and

(ii) The work of establishment and maintenance of Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure is carried out in

accordance with the conditions specified in the grant of permission by the Gram Panchayat.

(2) The permission holder shall ensure provision of positional intelligence, through appropriate technology, of all Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure to enable the Gram Panchayat to obtain real time information on its location.

(3) The permission holder shall comply with the technical guidelines provided for under **Schedule-E**

**14. Powers of the Appropriate Authority to supervise the work.-** (1) The concerned Appropriate Authority may supervise the establishment and maintenance of Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure to ascertain if the conditions imposed in the grant of permission are observed by the permission holder.

(2) The concerned Appropriate Authority may, on the basis of such supervision, impose such other reasonable conditions, as it may think fit.

(3) If the concerned Appropriate Authority comes to the conclusion that the permission holder has willfully violated any of the conditions for grant of permission, it may withdraw, for reasons to be recorded in writing, the permission granted to the permission holder and may forfeit in full or part the bank guarantee submitted by the permission holder:

Provided that, no action shall be taken under this sub-clause unless the permission holder has been given an opportunity of being heard.

**15. Maintenance of Telecommunication Infrastructure Tower, Overground Cable Infrastructure and Underground Cable Infrastructure.-** (1) The permission holder shall not remove or translocate the Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure without the prior approval of the concerned Appropriate Authority.

(2) In the event the Gram Panchayat or any other agency of the State Government or Central Government seeks to widen or modify the roads abutting which the Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Under Ground Cables

Infrastructure, of the permission holder exists, such permission holder shall coordinate with such agency for removal or shifting of the Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure.

(3) In the event the Telecommunication Infrastructure Tower or Overground Cable Infrastructure or Underground Cable Infrastructure laid down by the permission holder is required to be removed for the purposes provided for under sub-clause (2), he shall apply for permission, afresh under these Bye-laws for laying it in another location but shall be exempted from payment of fee.

**16. Restriction to erect Telecommunication Infrastructure Towers.- (1) Water Bodies:** (i) No Telecommunication Infrastructure Tower shall be allowed in the bed of water bodies like river or nala and in the Full Tank Level (FTL) of any lake, pond, kunta lands. Unless and otherwise stated, the area and the Full Tank Level (FTL) of a Lake or Kunta shall be reckoned as measured and as certified by the Revenue Department or Minor Irrigation Department or Water Resources Department;

(ii) Telecommunication Infrastructure Tower shall not be erected within,-

- (a) 6 meters from the boundary of the River;
- (b) 5 meters from the boundary of Lakes or Tanks or Kuntas of area 10.00 Ha and above;
- (c) 3 meters from the boundary of Lakes or Tanks or Kuntas of area less than 10Ha; and
- (d) 5 meters from the defined boundary of Canal, Nala, Storm Water Drain of width more than 10 meters and 3 meters from the defined boundary of Canal, Nala, Storm Water Drain of width up to 10 meters or as notified by Government from time to time.

**(2) Railways:** The distance between the Railway Property Boundary and the Telecommunication Infrastructure Tower shall be 30m as per Indian Railways Works Manual or as per no objection certificate given by the Railway Authorities.

**(3) Electrical Lines:** The right-of-way widths recommended for electrical lines of various transmission voltage are as indicated in the table below:

**(i) Right-of -way (ROW) for Electrical lines,-**

<b>Sl. No.</b>	<b>Transmission voltage</b>	<b>Width of the Right-of-way (ROW) in meters</b>
01	11 kV	7.0
02	33 kV	15.0
03	66 kV	18.0
04	110 kV	22.0
05	132 kV	27.0
06	220 kV	35.0
07	400 kV	52.0

**(ii) Distance of site from Electric Lines,-** No Telecommunication Infrastructure Tower shall be allowed to be erected or re-erected or any additions or alterations made to Telecommunication Infrastructure Tower in a site within the distance quoted below in accordance with the current Electricity Rules and its amendments from time to time between the building and any overhead electric supply line;

<b>Sl. No.</b>	<b>Particulars</b>	<b>Vertically in meters</b>	<b>Horizontally in meters</b>
i	Low and medium voltage lines and service lines	2.5	1.2
ii	High voltage lines upto and including 33,000 V.	3.7	2.0
iii	Extra high voltage lines beyond 33000 V.	3.7 (plus 0.3mtrs. for every additional 33,000 V. or part thereof )	2.0 (plus 0.3mtrs. for every additional 13,000 V.or part thereof)

**(4) In the reserved forest or forest areas:** For erecting the Towers, NOC from the Forest Department shall be submitted.

**(5) Heritage, Religious and Other Structures:** (i) In case of Sites located within the distance up to 100meters from protected monuments as notified under the Ancient Monuments and Archeological sites and Remains Act 1958 (Central Act 24 of 1958) or the Karnataka Ancient and

Historical Monuments and Archeological sites and Remains Act, 1961 (Karnataka Act 7 of 1962) no building or Telecommunication Infrastructure Tower is allowed;

(ii) For the Sites located within distance of above 100 meters and up to 200 meters from the protected monuments, the construction of one Telecommunication Infrastructure Tower is allowed only after obtaining prior permission from the concerned Appropriate Authority:

Provided that, the above clause shall not be applicable to towers which have been erected by any person or entity prior to the date of commencement of these Bye-Laws.

(iii) In case of Wall Mounted or Pole mounted Antenna, the antenna shall be mounted at least 5 meters above ground level or road level on flyovers.

## **CHAPTER – VI**

### **RIGHT OF APPROPRIATE AUTHORITY TO SEEK REMOVAL OF OVERGROUND TELECOMMUNICATION INFRASTRUCTURE TOWER OR OVERGROUND CABLE INFRASTRUCTURE OR UNDERGROUND CABLE INFRASTRUCTURE**

#### **17. Right of the Appropriate Authority to seek removal, etc.-**

(1) Where the concerned Appropriate Authority, having regard to circumstances which have arisen since the establishment of any Telecom Infrastructure or Underground or Overground Cable Infrastructure, under, over, along, across, in or upon, any immovable property vested in or under the control or management of that authority, considers that it is necessary and expedient to remove or alter such Underground Cable Infrastructure or Overground Telecommunication Infrastructure Tower or Overground Cable Infrastructure, it shall issue a notice to the permission holder, being the owner of such Telecom/ Cable Infrastructure, to remove or alter its location.

(2) On receipt of the notice under sub-clause (1), the permission holder shall, forthwith and within a period of thirty days, proceed to submit, to the concerned Appropriate Authority, a detailed plan for removal or alteration of such infrastructure.

(3) The concerned Appropriate Authority shall, after examination of the detailed plan submitted by the permission holder under sub-clause (2), pass such orders as it deems fit:

Provided that, the concerned Appropriate Authority shall, having regard to emergent and expedient circumstances requiring the removal or alteration of such Telecom/ Cable Infrastructure. give a reasonable

time of not less than ninety days to the permission holder for removal or alteration of such infrastructure.

Provided further that, the responsibility and liability, including the cost thereof, for removal or alteration of such Over Ground Telecommunication Infrastructure shall be borne by the permission holder.

**SCHEDULE – A**  
**(see sub-clause (1) of clause 7 and sub-clause (1) of clause 10)**  
**APPLICATION FORM**

Ref No:

\_\_\_\_\_

\_\_\_\_\_

Subject:- Application for permission for laying of Telecommunication Infrastructure Tower (TIT)/ Under Ground Cable Infrastructure/Over Ground Cable Infrastructure the Karnataka Gram Swaraj and Panchayat Raj (Gram Panchayat) (Telecommunication Infrastructure Tower and Overground Cable or Underground Cable Infrastructure) Bye-laws, 2021.

Name of the Applicant/ Company:

Address:

Contact Number:

Email Address:

I (Name of the designated member in the company for carrying out the purposes of these bye-laws) \_\_\_\_\_ of \_\_\_\_\_ (Name of the company if applicable), the undersigned, apply for permission to lay down cables below the surface of the earth at \_\_\_\_\_ (Please mention specific location or locations). I have attached documents required under “**Schedule C**” and submit this application in accordance with other provisions of these Bye-laws. I have paid the requisite fees and attached the acknowledgement of such payment to this application. I have furnished the security deposit in a manner prescribed by the Appropriate Authority.

**Signature of the Applicant**

**SCHEDULE – B**  
**(see sub-clause (2) of clause 11)**  
**PERMISSION FORM**

Ref No:

Dated:

I, \_\_\_\_\_, [Appropriate Authority] designated under the .....Bye-laws hereby grant you permission for laying of Telecommunication Infrastructure Tower (TIT)/ Under Ground Cable Infrastructure/Over Ground Cable Infrastructure as per your application vide \_\_\_\_\_, dated \_\_\_\_\_.

You shall abide by the following conditions,-

- (A) You shall complete laying of cables within \_\_\_\_\_
- (B) You shall restore the roads dug by you within \_\_\_\_\_
- (C) You shall comply with all the provisions of \_\_\_\_\_ Bye-Laws /

\_\_\_\_\_  
 (D) Any other conditions as may be determined by the Nodal officer.

**Signature of the Appropriate Authority**

**REJECTION FORM**

Ref No:

Dated:

I, \_\_\_\_\_ [Appropriate Authority] designated under these ..... Rules/ Bye-laws, hereby reject your application for permission for laying of Telecommunication Infrastructure Tower (TIT)/ Under Ground Cable Infrastructure/Over Ground Cable Infrastructure per your application vide \_\_\_\_\_ dated \_\_\_\_\_.

You may resubmit your application for the reconsideration of the Nodal officer.

**Signature of the Appropriate Authority**

**SCHEDULE – C****(see sub-clause (2) and (3) of clause 10)****List of Documents required along with the application:****1. Documents to be submitted in all cases**

- (i) Copy of registration certificate as communication infrastructure provider or a telecom service provider granted by the Department of Telecommunications, Government of India;
- (ii) Two sets of proposed route for the laying of Under Ground Cable Infrastructure/Over Ground Cable Infrastructure the cables;
- (iii) Time schedule (stretch and stage-wise) for completion of work and investment.

**2. Documents for laying of Underground Cable Infrastructure (in addition to those under serial number 1 above);**

- (i) Technology or method proposed to be used for laying of Underground Cable Infrastructure (Horizontal Directional Drilling/ Horizontal Boring methods or Micro Trenching or open digging) with preference for use of Horizontal Directional Drilling or Micro Trenching;
- (ii) Details of the proposed area such as the manholes that exist and other such existing inlets to the surface below the road.
- (iii) Dimensions of the road where such Underground cable Infrastructure are proposed to be laid
- (iv) Estimate of the cost for restoration of the damage that the Nodal Officer shall necessarily be put in consequence of the work proposed to be undertaken

**SCHEDULE – D**  
**(see sub-clause (2) of clause 7)**  
**LIST OF DOCUMENTS TO BE SUBMITTED FOR ERECTION OF**  
**TELECOMMUNICATION TOWER**

- (i) A copy of the license granted by the Central Government;
- (ii) The nature and location, including exact latitude and longitude, of post or other above ground contrivances proposed to be established;
- (iii) The extent of land required for establishment of Telecommunication Infrastructure Tower (TIT)/ Under Ground Cable Infrastructure/Over Ground Cable Infrastructure;
- (iv) The details of the building or structure, where the establishment of Telecommunication Infrastructure Tower (TIT)/ Under Ground Cable Infrastructure/Over Ground Cable Infrastructure is proposed;
- (v) The copy of approval issued by the duly Authorized officer of the Central Government for location of the above ground contrivances proposed to be used for the transmission of Radio waves or Hertzian waves;
- (vi) The mode of and the time duration for, execution of the work;
- (vii) The inconvenience, that is likely to be caused to the public and the specific measures proposed to be taken to mitigate such inconvenience;
- (viii) The measures proposed to be taken to ensure public safety during the execution of the work;
- (ix) The detailed technical design and drawings of the post or other above ground contrivances;
- (x) Certification of the technical design not below the rank of Assistant Engineer or Junior Engineer of the Panchayat Raj

Engineering Department attesting to the structural safety, of the Overground Telecom Infrastructure;

- (xi) Certification by not below the rank of Assistant Engineer or Junior Engineer of the Panchayat Raj Engineering Department attesting to the structural safety of the building, where the post or other above ground contrivances is proposed to be established on a building;

**GOVERNMENT OF KARNATAKA**

No: CI 275 MMN 2020(Part-1)

Karnataka Government Secretariat,  
1<sup>st</sup> Floor, Vikasa Soudha,  
Bengaluru, dated 09.08.2021.

**NOTIFICATION**

The draft of the following rules further to amend the Karnataka Regulation of Stone Crushers Rules, 2012 which the Government of Karnataka proposes to make in exercise of the powers conferred by sub-section (1) of section 18 of the Karnataka Regulation of Stone Crushers Act, 2011 (Karnataka Act 08 of 2012) is hereby published for the information of all the persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration after fifteen days from the date of its publication in the official Gazette.

Any objection or suggestion, which may be received by the State Government from any person with respect to the said draft before the expiry of the period specified above will be considered by the State Government. Objections and suggestions may be addressed to the Secretary to Government, Commerce and Industries Department (Mines, Small Scale Industries and Textiles), Vikasa Soudha, Bengaluru - 560001.

**DRAFT RULES**

**1. Title and commencement.-** (1) These rules may be called the Karnataka Regulation of Stone Crushers (Amendment) Rules, 2021.

(2) They shall come into force from the date of their final publication in the official Gazette.

**2. Amendment of rule 3.-** In the Karnataka Regulation of Stone Crushers Rules, 2012, (hereinafter referred to as the said rules), in rule 3,-

(i) after sub-rule (1), the following proviso shall be inserted, namely:-

“Provided that, if an applicant has not submitted renewal application three months before the expiry of the license, but makes an application one month before the expiry of the license, it may be accepted for a valid reason and on payment of an additional fee of rupees one lakh, payable in the form of a demand draft:

(ii) after sub-rule (2), the following shall be inserted, namely:-

“Provided further that, all existing crusher licenses granted before the commencement of the Karnataka Regulation of Stone Crushers (Amendment) Act, 2020 and whose license shall deemed to have been granted for a period of twenty years from the date of its original grant, shall pay of annual regulation fee of rupees ten thousand, payable in the form of demand draft.”

(ii) in sub-rule (2), for the explanation, the following shall be substituted, namely:-

**“Explanation:** For the purpose of this rule, any habitation, school, temple or road coming up subsequent to declaration of safer zone, shall not affect the operation or continuance of such declaration and shall not affect any extension of license.”

**2. Amendment of rule 3C.-** In the said rules,-

(i) in sub-rule (3), for the words and brackets “Mineral Dispatch Release Order (MDRO)”, the words and brackets “Mineral Dispatch Permit (MDP)” shall be substituted.

(ii) in sub-rule (4), for the words and brackets “Mineral Dispatch Release Order (MDRO)”, the words and brackets “Mineral Dispatch Permit (MDP)” shall be substituted.

**4. Insertion of new rules 3D and 3E:-** After rule 3C of the said rules, the following new rules shall be inserted, namely:-

**“3D. Transfer of crusher license.-** (1) In case of transfer of crusher license, the licensee shall apply to the licensing authority in Form-TA for transfer of license along with non-refundable application fee of rupees twenty five thousand as processing fee, affidavits and consent of the owner of land as specified in clause (a) of section 4 of the Act.

(2) On receipt of application the licensing Authority shall verify the application and on fulfillment of conditions, the licensing authority may give consent for transfer of such license in **Form MT** and on such consent a transfer of crusher license deed in Form-MT, shall be executed by the Transferee and

Transferred within six months from the date of communication or within such further period as the licensing authority may extend in this behalf, but not exceeding six months.

**3E. Status of crusher license on death of the licensee.-** (1) Where a holder of crusher license dies during the currency of the crusher license, then legal heir of the deceased shall intimate it to the licensing authority within a period of sixty days.

(2) An application for such transfer in Form-MA, shall be submitted to the licensing authority along with fee of rupees ten thousand, along with a copy of death certificate, affidavit of the legal heirs, affidavit of the other legal heirs in favour of the applicant for relinquishment of their rights, if any, within sixty days from the date of death. The applicant shall also submit a self-attested photo copy of PAN card and Aadhar card or Voter identity card as a proof of identity and proof of address.

(3) Every application for transfer shall be verified and disposed-off by the competent authority preferably within a period of three months.

(4) In respect of eligible applications sanction for transfer shall be granted in Form-T, within three months from the date of issue of sanction order or within such period as the competent authority may extend in this behalf.”

**5. Insertion of new Forms:-** At the end of the said rules, the following new Forms shall be inserted, namely:-

**“FORM-TA**
